

# A Fetish for Men

A Memoir by  
**Dr. Gloria G. Brame**

---

## Book Description

From cold lessons in survival to hot adventures in flesh, from the first inklings of kink to bisexual love, *A Fetish for Men* is the unsparing sex history of a child of Holocaust survivors who thinks sex is an antidote to the pain of life.

## About the Author

**Dr. Gloria Brame** is best known for her books *Different Loving* and *The Truth About Sex* (trilogy), which promote evidence-based, pro-diversity perspectives on human sexuality. A clinical sex therapist and much sought-after expert on the biopsychology of sex, Gloria has been a leader in radical sex theory and education since 1987, when she founded the world's first online BDSM support group. Gloria's previous memoir was *Naked Memory: Confessions of a Sexual Revolutionary*. The long-awaited follow-up to *Different Loving* will be available before the end of 2015.
